Sir,

Sub: Fisheries - Rural Fishery Demonstration - South Kanara District - Tanks in Coondapur Taluk - Further continuance - Proposals.

Ref: G.O.Ms.No.4108 Development dated 15.9.1951.

SECOND ASST. SECRETARY TO GOVERNMENT
12 DEC 1955
AGRICULTURE DEPT.

In the G.O. cited sanction was accorded for taking over the five tanks viz., (1) Hunthanakere tank, (2) Talamakkikere tank, (3) Bankagra tank (4) Kodikere tank and (5) Kottakere tank in Coondapur taluk of the South Kanara District for pisciculture for a period of two years. The tanks have been taken over on the dates mentioned below,

1. Hanthanakere	20-12-1951.
2. Talamakkikere	20-12-1951.
3. Bankagra	26-2-1952
4. Kolikere	10-7-1952.
5. Kottakere	16-3-1952.

The sanction accorded in the G.O. expired on 19-12-1953. An expenditure of Rs.1,745-5-0 has been incurred on the tanks and Rs.78-6-0 was realised as receipts during the period. The tanks were not properly stocked and exploited periodically. The Assistant Director of Fisheries, Mangalore, reports that the tanks could not be stocked as he did not receive quick growing varieties of fingerlings from the Tanjore Division. Operations have not been conducted in the tanks during 1954 and 1955. The tanks have been left out by oversight. I am taking suitable action separately on the Assistant Director of Fisheries responsible for not implementing the scheme properly.

Out of the five tanks taken over for pisciculture in the G.O. cited the Assistant Director of Fisheries, Mangalore has recommended the continuance of the following three tanks only.

1. Hunthanakere,
2. Kotekere, and
3. Bankagra.

These tanks are permanent tanks and pisciculture may be conducted permanently. Since the tanks have not been worked satisfactorily it may be continued for a further period of five years only. The estimates for providing wire mesh screens to the outlet of the Hanthanakere tank and Kottakere tank have been prepared and kept ready. The works can be executed and the tanks can be stocked suitably. In order to minimise the expenditure only part time watchers have been proposed for the tanks. The financial implications for taking over the tanks are furnished below.

.T.O.

Expenditure:

Non-Recurring:

Cost of improvements and for providing wire mesh screen etc to the outlet.	Rs.1,250-0-0

Recurring:

Wages of 3 part-time watchers at Rs.10/- p.m. 3 x 10 x 12.	Rs. 360-0-0	per annum
Stocking charges for three tanks.	Rs. 300-0-0	"
Fishing charges "	Rs. 70-0-0	"
	Rs. 730-0-0	"

Receipts:-

1. Hunthanakere tank	Rs. 375-0-0
2. Kottakere tank	Rs. 375-0-0
3. Bankagra tank	Rs. 250-0-0
Total	Rs.1,000-0-0

I request that sanction may kindly be accorded for the continuance of pisciculture in the above three tanks for a further period of five years from 20-12-1953 and approve the action of the Assistant Director of Fisheries, Mangalore in having continued the tanks under this department in anticipation of Government sanction. The expenditure is debitable to "40. Agriculture - m. Fisheries -. P.Rural Fishery Demonstration Units." Necessary provisions are made in the budget to meet the expenditure.

I request for early orders in the matter.

SUB: FISHERIES - Rural fishery Demonstration, South Kanara District - Tanks in Coondapur Taluk - Continuance of pisciculture - Proposals.

REF: From the A.D.I. & C., Lr. No. 17420/Z1/55, dated 5-12-1955.

To A.S.

The letter from the A.D.I. & C at Pp 1-2 c.f. may be perused.

In G.O. No. 4108, Development, dated 15-9-1951, the Govt. accepted the proposal of the previous D.F. for taking over of five tanks as detailed at "A" on P. 1 C.F., in Coondapur Taluk in S. Kanara Dt., for a period of two years and also sanctioned the incurring of a non-recurring expenditure of Rs. 1165 and recurring expenditure of Rs. 5310/- Sanction accorded in the said G.O. (was) expired on 19-12-1953. The A.D.I. & C has now reported that the tanks were not properly stocked and exploited periodically, that pisciculture operations were not conducted during 1954 and 1955 as the tanks were left over by oversight and that an expenditure of Rs. 1745-5-0 was incurred and an amount of Rs. 78-6-0 was realised. He has also stated that of the five tanks only three tanks as shown at 'K' on P. 1 c.f. are fit for pisciculture and proposed that pisciculture in those three tanks alone may be continued for a further period of five years from 20-12-1953 and requested that the action of the A.D.F. in having continued the scheme from 20-12-1953 in anticipation of Govt. sanction may be approved. The proposal of the A.D.I. & C involves a non-recurring expenditure (of Rs1250/- and recurring expenditure of Rs730/- ~~of Rs. 730/-~~). He has also stated that he is taking suitable action against the A.D.F. for having failed to implement the scheme properly. It is submitted that inasmuch as the receipt realised during the previous years was very poor it seems that sanction for the continuance of pisciculture in the three tanks referred to at

'K' on P.I.C.F. may be limited for a period of three years from 20-12-1953 (upto 19-12-1956) so that the working of the scheme can be reviewed at an earlier date. Sanction may also be accorded for the incurring of non-recurring expenditure of Rs. 1250 towards the cost of improvements of the tank. For orders.

A

SE
11 JAN 1956

3) As regards the recurring expenditure it is submitted that there was no pisciculturel operations in the tank during 1954 and 1955 and therefore no expenditure would have been incurred. Hence it will be enough if provision is made for 1956. (ie. upto 19-12-1956). Accordingly sanction may be accorded to the incurring of recurring expenditure not exceeding Rs. 700/- (seven hundred). for the period upto 19-12-1956 towards wages of Part-time Fishermen and other stocking and fishing expenses. For orders.

B.

4) It is also submitted that it seems desirable to appraise the A.D.I. & C of the need to submit proposals for continuance of schemes, like the present one, sufficiently in advance so that the Government can thoroughly examine the feasibility of their further continuance ~~of their~~ in the light of the results achieved. In the present case the A.D.I. & C could have discontinued the scheme in view of the poor results, as the Govt. can ill afford to spend money on such unremunerative schemes. It also seems that the A.D.I. & C may be asked to submit a report on the action taken against the persons responsible for having failed to implement the scheme properly. For orders.

Subject to orders a draft Order is submitted for approval. Agriculture (F.P) and Finance Departments may see for acceptance.
